

# Discovery 1: World Value Survey

---

## Compare countries by their views on political systems.

We want to know which political system are preferred across the globe, autocratic regimes, military regimes

### Process

Welcome to the **World Values Survey Data analysis tool**. To view data from a wave, click on the wave period from those listed below. You may return to this screen at any time to select a different wave.

Study on values realized in the countries of Europe by EVS research network is not included into the current data-set and is available for both downloading and online-analysis at: <http://www.europeanvaluesstudy.eu>

Select the wave of the WVS

## World Values Survey Wave 6: 2010-2014

[Select Wave](#)**Select Countries**[Survey questions](#)[Responses](#)[Maps](#)[Time Series](#)

Please choose the countries you want to compare. You can change selection at any time. Click [Survey questions] to browse the questions, [Select Wave] to change wave or any other tab to display results.
